Robert,

My colleague Robert Daguillard will be able to help you.

He is copied above.

Subject: WORLD NEWS TONIGHT/ GOOD MORNING AMERICA - COLORADO MINE SPILL

Hi –

We have a correspondent and crew on the ground in Durango and in covering this story would like to request access to any sort of field operations you might have at the moment. Specifically looking to talk to someone who may be observing by air and would like to join them in this observation. Please let me know how I can help.

Thanks!
